

Our award-winning free mobile app delivers real-time alerts, severe weather warnings and practical advice in an emergency

When a crisis is on its way, every second counts. So think how crucial warning of a dangerous flood or snow storm could be.

Our free app will send you alerts if an emergency is about to affect your area - and tells you exactly what to do when they happen. So far we have sent over 1.5 million alerts and it's rated 4.5 out of 5 on Google Play. Not only will the app warn you about impending weather emergencies but it will also notify you if there is a change to the terrorism threat level.

And since being prepared is half the battle, the app is packed with advice on getting ready for a host of common emergencies – such as fires, storms and power cuts.
