### 3. MINUTES OF THE PREVIOUS MEETING

It was **RESOLVED** that the Minutes of the Town Council meeting held on Mon 14th April 2025 (circulated with the agenda) and the Minutes of the Open Spaces meeting held on Monday 12th May 25 (circulated by email) were approved as a true and correct record and were signed by the Chair.

Matters arising — Noticeboard outside Village Hall. Details of a 2 door Outdoor Lockable Notice Board cost £309.99 15 A4 sheets 120 cms x 90 cms had been circulated with the agenda together with a 1 door alternative at £188.99. The office commented that a 2 door was essential as during winter months if a large door was opened, all the existing notices blew away or got very wet.

It was **RESOLVED** to purchase a 2 door Outdoor Lockable Notice Board to replace the existing on the wall of the Village Hall. When ordered the cost was £263.49 and Cllrs Tutora and Towers would organise the fixing. Councillors were extremely disappointed with the notice board provided by a local charity support group who had not answered two emails or shown any interest in the poor performance of the product they had supplied.

Cllr Hildyard asked if the Maintenance Contractor could arrange the cutting in the village to fit into the Best Kept Village competition. He was asked to email the office with the relevant date required.

## 5. TO RECEIVE AN UPDATE FROM COUNCILLOR KEVIN FOSTER ON COUNTY MATTERS

• On the <u>question of Community Safety</u>, Cllr Foster recommended the monthly MAPS (Multi agency Problem Solving) meeting covering the former Hambleton & Richmondshire localities. These are online Teams meetings held on the second Tues of each month usually starting 11 am.

Areas of concern covered:

ASB, Street drinking, youths congregating, Nuisance, boy racers, Road Safety, speeding hotspots, parking offences. Also Rogue Traders or cold callers, Environmental issues to include fly tipping, littering, animal welfare, dog fouling. Licensing issues – repeated calls to premises, complaints against public houses, Other Community tensions which have a detrimental effect on the quality of life. At these meetings, No Individuals will be discussed.

- The Combined Authority had announced a large budget for supporting town centres to help bring in business which allowed a sum of \$32,000 per centre. Colburn is on the list and improvements to the A6136 could be an example. He had repeatedly asked Cllr Keane Duncan about bus services but this has now transferred to the Mayoral Authority and there is nothing further he can do.
- Full Council meeting coming up with the major contentious decision on school transport support.
- DBS checks these are not required at present at County level but may be considered.
- Boundary Review the link had been sent to all councillors to look at the interactive map which showed
  the proposed loss of Colburn Moor (Cleveland Road, Harley Hill area) back to the boundary which follows
  Sour Beck from Horne Road to the Back Lane (currently closed) from Brough St Giles to Tunstall past
  Richmond Equestrian Centre entrance. This is for North Yorkshire electoral divisions to ensure that
  councillors ideally represent around 5819 electors each. It does not change the parliamentary parish of
  Colburn which runs to the entrance to Somme Barracks on Horne Road. Comments could be made to the
  Review.

All decisions, agendas and information can be viewed on NYC website.

All communications should be made by email to cllr.kevin.foster@northyorks.gov.uk

# 6. TO RECEIVE REPORTS FROM OTHER BODIES INCLUDING COLBURN COMMUNITY SPORTS CENTRE AND TO INCLUDE CURRENT PLANNING APPLICATIONS Community Sports Centre (CCSC)

Status report up to 8th May 2025 had been circulated and filed on the computer.

MUGA upgrade has been approved for funding by Football Foundation.

New Step Hiit Class launched in April, uptake has been slow. Tiny Titans boxing is running at near capacity every Thursday evening. Air Yoga looking to add another night during the week.

Danville Irish Dancing School started classes in March and has been very busy on a Saturday morning. Second Boot Camp started in April and looking to bring a further one to the centre on a Saturday morning. New longer weekend opening hours are planned to start in May.

**April has been the best month for Direct Debit memberships to date.** The Centre had their busiest month since the new ownership took over the running of the facility.

Updated card system to monitor any missed customer payments. New quotes received for PV/Solar panels. All external maintenance now ongoing for the season. Walking football to start in May.

NLW and NI contributions have had a significant impact on operating costs.

Full monthly report available on email request to the office.

16/06/bs

Visiting councillors are most welcome to see the regular improvements but it would be appreciated if an appointment is made or speak to a Trustee in advance.

Any confidential financial questions should be covered within a Closed Session and will not be included in the Minutes.

<u>Plans received by Colburn Town Council</u> – none <u>Plans confirmed as Passed by NYC</u> –none <u>Plans Refused by NYC – none</u>

## 7. TO DISCUSS FINANCIAL MATTERS

• To review the response to the latest question on the charge for bus use with regard to the Section 137 grant application for the sum of £500 for <u>The Bridge Minibus Appeal</u> (papers attached with agenda). In answer to the questions asked, the charge was a flat rate of £6.60 for 2 journeys, pick up and return. This contributes to the running costs, fuel, maintenance, insurance and the driver. Any shortfall is covered from other income and fundraising.

Last year there were 6 clients from Colburn attending 12 sessions per week.

It was **RESOLVED** that no grant would be paid on this occasion. The finances were tight for the current financial year and councillors felt they would prioritise charitable organisations based in Colburn.

• To discuss the Section 137 grant application from <u>Colburn Primary School towards their Annual London 2-day visit</u> (application form circulated with agenda)

Councillors spoke of the life long benefits children gained through this annual visit, which for many, was the first time they had travelled to London, used the Underground, seen well known sights and experienced the thrill of a capital city. Many parents could not afford to pay for this opportunity without the School receiving outside grant aid.

It was RESOLVED to make a Section 137 grant of £1000 to Colburn Primary School to support the Annual London visit.

- To approve Payment/Receipt list from 14<sup>th</sup> April 19<sup>th</sup> May 2025 (circulated at meeting and to be attached to the minutes for publication).
- To receive April monthly figures with bank reconciliation (circulated with agenda and to be attached to the minutes for publication).

It was **RESOLVED** to approve the two lists above as circulated.

8. DATE OF NEXT MEETING: Mon 16th June 2025 at 6.30 pm in the Village Hall

## 9. ITEMS FOR THE NEXT AGENDA (at the Chairman's discretion –

Cllr Dale requested that a **Neighbourhood Plan** be put on the June agenda. It was now easier to create a Neighbourhood Plan which could form part of the Local Plan currently being consulted on. With a neighbourhood plan in place, monies from future developments would benefit the Council with a 15% share. Without a Plan, the Council would only receive 10%. The Richmondshire Local Plan has not been protected since the change over to a unitary council whereas Hambleton's confirmed plan has been. It is important to

16/06/25

establish all the small areas of open land and green division belts to maintain the integrity of Colburn and not allow housing being allocated which joined Colburn up with Hipswell, Scotton into one large Catterick Garrison.

There was agreement with the proposed Boundary Change for County divisions losing St Martins and Scotton Cleveland Road/Harley Hill areas due to population increases in Colburn.

The meeting closed at 7.45 pm
